Urbana Elementary Climber Club Cares!

We are **PROUD** of our students and UES families! Keep doing what you're doing: washing your hands, wearing a mask, practicing social distancing, and staying home. It's not always fun and it's not always easy...but it's working! Keep working together to flatten Ohio's curve! #FlattenTheCurve

UES "Coronavirus Caring" Week!

5 days with 5 ways to show family and friends you CARE!

***** Week of April 27-May 1, 2020 *****

Monday: Be Goofy Day! Listen to music. Sing along in funny voices. Have a dance party. Wear a costume. Laugh and then laugh some more. Then Zoom or FaceTime family or friends and get them to join in with you virtually.

Tuesday: Eat & Drink Well Day! Open a cookbook or look online and make a creative, fun meal together. Have a dessert or drink a soda--give yourself and your family a special "treat to eat" today.

Wednesday: Pick up the Phone Day! Call grandma, your favorite aunt, your best friend. Use FaceTime to see the face of someone you love or just call to hear their voice. We are going to need to do better than merely texting right now! Show someone you care and tell them, "thinking of you today."

Thursday: Reconnect Day! Write letters, cards, or emails to family or friends that you haven't heard from in a long time. Detail what has been happening in your life and ask questions about what is going on with them.

Friday: Fun Family Fri-DAY! Play board or card games. Have a basketball goal? Play a family game of HORSE. Roast marshmallows over a fire pit or take a bike ride, walk, or hike. Do something the whole family will enjoy!

Parent Access

During this period of Distance Learning, all parents are strongly encouraged to create and use a Parent Access Account to help keep track of student assignments and grades. Once your account is created, you can view grades as soon as they are entered by the teacher and can set an alert for missing assignments. A low marks alert can also be set for Junior High and High School students. If you have not yet created your account, please contact Kelli Marsh at kelli.marsh@urbanacityschools.org to obtain the registration key needed to activate your account. Help documents and a video tutorial on how to create your account can be found at <https://pa.woco-kl2.org/>

Remind

Urbana City Schools uses the Remind program to communicate with parents and students. If you are not receiving Remind communications, please notify your child's teacher. You can also download the Remind app in your app store or login through www.remind.com. Through the website and the app, you can update your cell phone number, attach your children to your account and control your communication preferences. Please contact your child's teacher or kelli.marsh@urbanacityschools.org if you encounter any issues with your Remind account.

23 more days of school left!
